My name is ______________ of the Pennsylvania State Police. I wish to advise you that you have an absolute right to remain silent; that anything you say can and will be used against you in a court of law; that you have a right to talk to an attorney before, and have an attorney present with you during questioning; that if you cannot afford to hire an attorney, one will be appointed to represent you without charge before any questioning if you so desire; and if you do decide to answer questions, you may stop any time you wish, and you cannot be forced to continue.

I fully understand the statement of my rights and am willing to answer questions. I do not want an attorney and I understand that I may stop answering questions any time during the questioning. No promises have been made to me, nor have I been threatened in any manner.
